

APPENDIX A

Affected Property Assessment Report Checklist

Affected Property Assessment Report (APAR) Checklist	Check if included
Cover Page	√
Professional Signatures and Seals	√
Executive Summary	√
Conclusions and Recommendations	Section 5.3
Chronology*	
Specialized Submittals Checklist	
Section 1 Property Information	
Discussion of site operations, release sources, and geology/hydrogeology	Section 2
Table 1A - Sources of Release	Section 2.2
Table 1B - Potential Off-Site Sources	Sections 1.2.2 & 1.2.3
Figure 1A - On-Site Property Map*	Figure 1-1
Figure 1B - Affected Property Map*	Figure 1-1
Figure 1C - Regional Geologic Map*	Appendix E
Figure 1D - Regional Geologic Cross Section(s)*	Appendix E
Section 2 Exposure Pathways and Groundwater Resource Classification	
Discussion of potential receptors, groundwater classification, and exposure pathways	Section 2.3
Table 2A - Water Well Summary	Section 2.4.3 & Appendix G
Table 2B - Affected Water Well Summary	Appendix G
Table 2C - Complete or Reasonably Anticipated to be Complete Exposure Pathways	Section 3
Figure 2A - Potential Receptors Map*	Figure 2-13
Figure 2B - Field Survey Photographs*	Appendix H
Figure 2C - Water Well Map*	Figure 2-12 & Appendix G
Attachment 2A - Tier 1 Ecological Exclusion Criteria Checklist	Section 2.4.4 & Appendix I
Attachment 2B - Tier 1 Ecological Exclusion Criteria Supporting Documentation*	Appendix I
Section 3 Assessment Strategy	
Discussion of assessment strategies	
Table 3A. Underground Utilities	Figure 2-13
Section 4 Soil Assessment	
Discussion of nature and extent of COCs in soil	Revised Supplemental RI: Section 4.1
Table 4A - Surface Soil Residential Assessment Levels with no Ecological Component	
Table 4B - Surface Soil Residential Assessment Levels with Ecological Component	
Table 4C - Subsurface Soil Residential Assessment Levels	
Table 4D - Soil Data Summary*	Revised Supplemental RI: Section 4.1
Table 4E - Soil Geochemical/Geotechnical Data Summary*	Section 2.1.2
Figure 4A - Surface Soil COC Concentration Maps*	Section 5.1
Figure 4B - Subsurface Soil COC Concentration Maps*	Section 5.1
Figure 4C - Cross Sections*	Appendix E
Section 5 Groundwater Assessment	
Discussion of nature and extent of COCs in groundwater	Revised Supplemental RI: Section 4.2

Affected Property Assessment Report (APAR) Checklist	Check if included
Table 5A - Groundwater Residential Assessment Levels	
Table 5B - Groundwater Data Summary*	Revised Supplemental RI: Section 4.2
Table 5C - Groundwater Geochemical Data Summary*	Section 2.1.7
Table 5D - Groundwater Measurements*	Appendix E
Figure 5A - Groundwater Gradient Map*	Figure 2-3
Figure 5B - Groundwater COC Concentration Maps*	Section 5.2
Figure 5C - Groundwater Geochemistry Maps*	
Figure 5D - Cross Section Groundwater-to-Surface Water Pathway*	Appendix E
Section 6 Surface Water Assessment and Critical PCL Development	
Discussion of nature and extent of COCs in surface water	Revised Supplemental RI: Section 4.3
Table 6A - Surface Water Critical PCLs	Section 4.3, Table 4-8, & Appendix M
Table 6B - Surface Water Data Summary*	Revised Supplemental RI: Section 4.3
Figure 6A - Surface Water PCLE Zone Map*	Revised Supplemental RI: Figures 4-79 through 4-85
Figure 6B - Photographs*	
Section 7 Sediment Assessment and Critical PCL Development	
Discussion of nature and extent of COCs in sediment	Section 2.1.4
Table 7A - Sediment Critical PCLs	Section 4.4
Table 7B - Sediment Data Summary*	Section 2.1.4
Figure 7A - Sediment PCLE Zone Map*	Tables 2-1, 2-2, & 2-3: Figure 2-2
Section 8 Air Assessment and Critical PCL Development	
Discussion of the nature and extent of COCs in outdoor air	
Table 8A - Outdoor Air Data Summary*	
Figure 8A - Outdoor Air COC Concentration Maps*	
Section 9 Ecological Risk Assessment	
Discussion of ecological risk assessment, expedited stream evaluation, and/or reasoned justification. Copies of SLERA or SSERA.	Section 2.4.4 & Appendix J
Section 10 COC Screening	
Discussion of COC screening process and results	Revised Supplemental RI: Section 2.3
Table 10A - COC Screening Summary Table	Revised Supplemental RI: Tables 2-1, 2-2, & 2-3
Section 11 Soil Critical PCL Development	
Discussion of soil critical PCL evaluation	Section 4.5
Table 11A - Surface Soil Critical PCLs (On-Site)	Section 4.2
Table 11B - Subsurface Soil Critical PCLs (On-Site)	Section 4.2
Figure 11A - Surface Soil PCLE Zone Maps*	Section 5.1
Figure 11B - Subsurface Soil PCLE Zone Maps*	Section 5.1
Figure 11C – Cross Sections of the PCLE Zone*	

Affected Property Assessment Report (APAR) Checklist	Check if included
Section 12 Groundwater Critical PCL Development	
Discussion of groundwater critical PCL evaluation	Section 4.1
Table 12A - Groundwater Critical PCLs - Full Plume POE*	Section 4.1
Table 12B - Groundwater-to-Surface Water PCLs	Table 4-3
Table 12C - Groundwater-to-Sediment PCLs	Table 4-4
Table 12D - Groundwater Critical PCL Evaluation - Surface Water/Sediment Discharge POE	Section 5.2
Figure 12A - Groundwater PCLE Zone Map*	Section 5.2
Section 13 Notifications	
Discussion of notifications conducted	
Table 13A - Notification Summary	
Figure 13A - Notification Map*	
Appendices	
Appendix 1 Notifications*	
Appendix 2 Boring Logs and Monitor Well Completion Details*	Supplemental RI
Appendix 3 Monitor Well Development and Purging Data*	
Appendix 4 Registration and Institutional Controls*	
Appendix 5 Water Well Records*	Appendix G
Appendix 6 Monitor Well Records*	Revised Supplemental RI
Appendix 7 Aquifer Testing Data*	Revised Supplemental RI
Appendix 8 Statistics Data Tables and Calculations*	
Appendix 9 Development of Non-Default RBELs and PCLs*	Section 4
Appendix 10 Laboratory Data Packages and Data Usability Summary*	
Appendix 11 Miscellaneous Assessment*	
Appendix 12 Waste Characterization and Disposition Documentation*	
Appendix 13 Photographic Documentation*	Appendix H
Appendix 14 Standard Operating Procedures*	Supplemental RI RTCs
Appendix 15 OSHA Health and Safety Plan (§350.74(b)(1))*	
Appendix 16 Reference List*	Section 6
