Comments:

1. The permittee shall comply with all permit directions and conditions and with all applicable laws and ordinances.
2. The permittee shall not allow the parade to begin, proceed or continue until such time as the applicable traffic control plan or method is set up and functioning.
3. The permittee shall not make an exclusive use of any City-Controller park or park facility for a demonstration except in compliance with Section 13.24.200 of this code.
4. The permittee shall take all steps necessary to keep the area for the public assembly clean or the parade route clean and free of animal excrement during the parade.
5. The permittee shall, immediately upon the conclusion of the event, clean and remove all litter and debris left on the roadways, sidewalks, and other public right-of-ways by participants, animals, floats and vehicles used in the event and by spectators to the event.
6. The permittee may, no later than fourteen business days prior to the day of the event, request the assistance of the City with such cleaning and if provided the permittee shall be responsible for his costs of the City cleaning. Such request shall be made on a form provided by the City and filed with the permit official. In the event that the permittee does not request and receive the assistance of the City with such cleaning and the permittee fails to clean and remove all such litter and debris within four hours of the end of the event, the City may perform such cleaning and the permittee shall be responsible for payment of city cleaning costs within 10 days of receipt of the bill from the City Comptroller.
7. Payment of all costs of providing On-Duty Law Enforcement officers and any other traffic control costs, less the amount of deposit made under Section 13.36.050 C of this code, shall be due and payable within ten days of receipt of the bill from the City Comptroller.
